

Section 3 – External Auditor’s Report and Certificate 2022/23

In respect of **Rudheath Parish Council – CH0172**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2022/23

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority has disclosed that it made proper provision during the year 2022/23 for the exercise of public rights, by answering ‘Yes’ to Section 1, Assertion 4. However, as was reported last year, we are aware that it failed to do this and therefore should have answered ‘No’ to this Assertion. It has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering ‘Yes’ to Section 1, Assertion 7, which, on the basis of the above, is not correct.

Section 1, Assertions 1 and 3 have been incorrectly completed, the internal auditor detail report addresses weaknesses in which the council has not complied with the laws, regulations, and proper practices with respect to all income, expenditure and procurement. The smaller authority has confirmed weaknesses in relation to expected income received has not been accurately collected and recorded in the councils accounting system. This is consistent with the Internal Auditor’s response to Internal Control Objective B and E (respectively).

Information has come to our attention from the internal auditor highlighting the fact that the Notice of conclusion of audit and external auditor report and certificate were not published on the authority’s website by the dates specified in the Accounts and Audit Regulations 2015.

The AGAR was not accurately completed before submission for review:

- Transfers between bank accounts should have been excluded from receipts and payments in Section 2. The figures in Boxes 3 and 6 for the prior year should read £58,212 and £93,569 respectively.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has confirmed that it has not complied with the governance Assertion in Section 1, Box 2, but it has provided the appointed auditor with an adequate explanation for non-compliance and details of the actions necessary to address weaknesses identified.

In the completion of the Annual Internal Audit Report, and their detailed report, the internal auditor has drawn attention to significant weaknesses in relation to objective C, as none of the financial, corporate and governance risks of the council were reviewed and addressed through the risk assessment; objective D, precept does not clearly evidence that account is taken of brought forward and carried forward reserves; objective G .caretaker employee is enrolled on an appropriate pension scheme and objective N. failed to make proper provision for the exercise of public rights for the 2021/22 accounts. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.

The smaller authority should ensure that it has regard to the level of reserves held when considering future precept requests. Any earmarked reserves should be considered and formally approved by the smaller authority.

3 External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
